I. APPLICANT INFORMATION – INSPECTION REQUIRED

- a. Safety certification inspections are required by T.C.A. 55-4-101(L), and must be certified before operation upon Tennessee roads and highways.
- b. Trailers, semi-trailers and pole trailers domiciled in Tennessee that are homemade, materially reconstructed or do not have a Vehicle Identification Number (VIN#) stamped on it, and are presently required to be registered or titled under provisions of Section 55-4-101 are required to be safety inspected.
- c. Your local county clerk of the State of Tennessee, Title and Registration office will advise you if the vehicle is required to be titled or registered.
- d. If the trailer is required to be titled or registered and is homemade, materially reconstructed or doesn't have a Vehicle Identification Number (VIN#) stamped on it, then it is required to be inspected by the Tennessee Department of Safety and Homeland Security.
- e. If the trailer is manufactured, transferred from another state and/or has a Vehicle Identification Number (VIN#) stamped on it, and is required to be titled or registered, contact your county clerk.

II. SAFETY INSPECTION – APPLICATION AND PROCESSING

- a. Accurately complete the application form. Please make sure you list: name, address, phone number where you can be reached during business hours and fill out as much basic information on the trailer that you know.
- b. Mail application form and the required \$25.00 inspection fee for each requested inspection to:

Tennessee Department of Safety and Homeland Security
Cashier's Office
1150 Foster Avenue
Nashville, TN 37243

- c. A Tennessee State Trooper will contact you utilizing the information provided on the application form. An agreeable date and location of inspection will be established. Contact will be made by phone during normal business hours or by mail. PLEASE ALLOW 4-6 WEEKS FOR PROCESSING AND INSPECTION FROM DATE OF RECEIPT OF APPLICATION IN THE TENNESSEE DEPARTMENT OF SAFETY AND HOMELAND SECURITY CASHIER'S OFFICE.
- d. The Trooper will inspect the vehicle for compliance of T.C.A. Title 55, Chapter 9. T.C.A. 65-15-113 and the Federal Motor Carrier Safety Administration Regulations.
- e. After the inspection is completed, the Trooper will issue to the applicant an original and one copy of the Safety Inspection Certificate indicating the vehicle as Certified or Rejected.
- f. If marked "Certified", the applicant must present to the county clerk (in the county to be titled or registered), the original certificate to complete the process of registration.
- g. Certificate marked "Rejected" will be accompanied by an Inspector's report indicating corrections needed for compliance.
- h. If Rejected, the applicant must complete another request form; send the form and another \$25.00 inspection fee to the Tennessee Department of Safety and Homeland Security, as previously stated.
